## FIAP BLUE BADGE

**Hill Duncan SK, EFIAP/p**  
England

I have been photographing since about 1998 when I was looking for something to do when I took early retirement from teaching. I began with slides but quickly adapted to digital photography and dpi in particular. I am not a printer; I am happy to see a projected image. I call myself an action photographer as I photograph sport but my main love is Natural History. In fact I will photograph anything that interests me but I tend to draw the line at Landscapes. I started entering camera club competitions and got the bug. I got my MPAGB in 2010 and then started on FIAP competitions and got the Diamond 3 in 2022. I have judged a number of national and International competition and enjoyed the experience.
