I participated in my first international salon in 1984 and a few years later formed a special interest group within the local club together with 5 other members. The main goal for the group was to improve our photographic skill by discussing international photography and to participate in international salons. In 2000 all 6 members received AFIAP. Still very active in international salons I received EFIAP/d1 in 2022. This group has had numerous exhibitions on different locations in Sweden.

Member of the board of the National Association of Swedish Photography (RSF) from 1986 to 2018. Vice President 2003-2007 and Secretary General 2010-2018. Still helping the National Association by setting up jury groups for Swedish/Nordic International salons 1-2 times per year.
