GRADAC  
PHOTO GROUP  
INTERNATIONAL

**Borko Ivo**, HonEFIAP, EFIAP/d3, Slovenia

Ivo Borko, retired veterinarian and publisher, born in 1955 in Hercegovščak in Slovenia, enrolled in photography as a student at gymnasium in Murska Sobota. During his studies in Ljubljana, he deepened his photographic knowledge in the famous ŠOLT Photo Group. After a later and multi-year photographic "rest", in 1995, on his first trip to Africa, he returned to creative photography. The real turning point in his photographic work was the year 2008, when he and his like-minded friends founded Photo Club Proportio divina in Gornja Radgona, which he also chairs. Initially, he was mainly interested in nature and travel photography, but now he focuses on human photography, especially as an unposed or, more recently, portrait, nude or even object of staged photography. So far, he has had 41 solo exhibitions in Slovenia, Austria, Bulgaria, Serbia, Romania and Hungary. He has participated in more than 600 group exhibitions in 65 countries around the world and has received more than 350 awards. In 2012, he was proclaimed as the most successful exhibitor of the FZS. Since 2013 he has been the holder of the exhibition title Master of Photography of the Photographic Association of Slovenia (MF FZS), and since 2019 the highest exhibition title of the International Association of Photographic Art (FIAP) Excellence FIAP/diamond 3 (EFIAP/d3). In 2016, at the "Summit of Photographers of Ex Yugoslavia" in Leskovac, he was awarded the "Tomin Šešir" award for outstanding merits for the development of photographic art in the former Yugoslavia, in the same year FIAP awarded him the honorary title for Services Rendered (ESFIAP) and in year 2022 the highest title Honorary Excellence FIAP (Hon EFIAP). Between 2013 and 2018, he was the president of the Photographic Association of Slovenia (FZS). Since 2014, he has been a director of the photographic center "Fotograd Negova", an exhibition centre that was awarded the status of "FIAP Exhibition Centre" by FIAP in 2015.

**Jovanovski Vladimir**, EPSA, GPU CR3, North Macedonia

Vladimir Jovanovski, EPSA, GPU HERMES, RISF5, was born in 1983. He is a distinguished photographer from Macedonia and the most successful representative of Macedonian photography, having taken part in numerous international exhibitions around the world. He has exhibited his works in 35 countries and as a result, has received over 100 awards and certificates. He was proclaimed by The Photographic Society of Macao as one of the 100 most influential photographers in the world. In 2018, he has received the award for best world photographer from the Photographic Arts Federation of Turkey. His biggest successes, according to him, are the projects 'The other one hundred' and 'On Macedonian photography'. He was a member and president of the Photo cinema club 'Kozjak' from Kumanovo. Currently he is an active member of Photo club 'Kumanovo'. He is also the director of Malinski Photo Festival, an honorary member of Image Sans Frontier, Image Colleague Society and the Photo Club 'Kragujevac'. He is also a representative of PSA, GPU and ISF for the Republic of Macedonia and the current president of IAAP. When it comes to his photographs, he is not a mere recorder of things. He has a sense of the space around him, feeling the light, the ambient and life. He is constantly in search of all these things, confronting inner feelings, transferring them into his photographs. In the last couple of years, his approach has been more thematic.

## FIAP BLUE BADGE

**Salerno Biagio**  
Italy

My name is Biagio Salerno. I was born in March '78 in Palermo, Sicily, Italy, where I currently live with my family. I like reading and travelling. I use the photographic tool to record and tell the stories, sometimes real, sometimes imaginary, that I encounter (or think I encounter) during my travels. I learned to photograph precisely to be better able to "write" about what I saw, because, if with words I wasn't at all effective, with the images I had in my head I was (I hope); it soon became my direct and immediate way of transcribing onto a medium what I observed of the reality around me; street photography, architecture, nature and still life, among my major interests, even if nature photography has a particular place in my heart; in fact, I like to represent situations with a very high emotional impact that light and animal life can give me during my observations in the field. I have over 550 awards in national and international competitions, won in 69 different countries. I received the international honor EFIAP/S (Excellence de la Federation Internationale de l'Art Photographique Silver) and some national honours.
