**Cufar Aleksander**, EFIAP/d3, MPSA, Slovenia

I was born on 3 May 1962 in Kranj. After finishing elementary school, I enrolled in the programme for laboratory technicians at the Secondary School of Nursing in Ljubljana. I then continued my education at the Higher Professional Education Study Programme, Radiologic Technology. In 1990 I began actively participating in photography exhibitions all over the world. So far I have won over 700 awards. I was awarded the Photographic Federation of Slovenia's Master of Photography title in 2009 and the Master PSA title in 2015. FIAP awarded me the Excellence FIAP Diamond 1 title in 2016.

During all these years, my love for photography has not waned. On the contrary, it is only now that I realize how many wonders I have yet to catch with my camera. Recently, my favourite themes have been the forest, swans, landscape, black-and-white photography, and experimental photography. I am searching for themes that are rich in colour, wonderfully illuminated, and represent something exceptional in nature. When I find that special theme, I isolate it and then wait for the hour of the day or the season of the year which allows me to show what I see in my own unique way. In the digital darkroom I often combine photographs or change them into something different, better. When it comes to photography, the possibilities are endless. I can keep coming back to the same theme, finding it to be different every single time. This diversity, continuous changing of the lighting, gives me immense pleasure and the opportunity to search for something yet unseen.

**Markovic Milan**, EFIAP, MF FSS, Serbia

Born in Valjevo in 1960. He is professional photographer in the Institute for the Protection of Cultural Monuments in Valjevo. Since 1979, he successfully exhibited his photographs on 907 group photo and art exhibitions in Serbia and abroad, winning 305 awards. Several times his photographs were part of the national collections of Photo Association of Yugoslavia and Serbia on FIAP biennials. He has exhibited photographs individually 27 times. For nine times he was at the first place of the list of the most successful photographers in Serbia. He is the jury member and selector of the several local and international exhibitions. Photo Association of Serbia title MF FSS gained in 2005 and FIAP title AFIAP in 2004 and EFIAP in 2007.
