### Borko Ivo, HonEFIAP, EFIAP/d3, Slovenia

Ivo Borko, retired veterinarian and publisher, born in 1955 in Hercegovčak in Slovenia, enrolled in photography as a student at gymnasium in Murska Sobota. During his studies in Ljubljana, he deepened his photographic knowledge in the famous ŠOLT Photo Group. After a later and multi-year photographic "rest", in 1995, on his first trip to Africa, he returned to creative photography. The real turning point in his photographic work was the year 2008, when he and his like-minded friends founded Photo Club Proportio divina in Gornja Radgona, which he also chairs. Initially, he was mainly interested in natur and travel photography, but now he focuses on human photography, especially as an unposted or, more recently, portrait, nude or even object of staged photography. So far, he has had 41 solo exhibitions in Slovenia, Austria, Bulgaria, Serbia, Romania and Hungary. He has participated in more than 600 group exhibitions in 65 countries around the world and has received more than 350 awards. In 2012, he was proclaimed as the most successful exhibitor of the FZS. Since 2013 he has been the holder of the exhibition title Master of Photography of the Photographic Association of Slovenia (MF FZS), and since 2019 the highest exhibition title of the International Association of Photographic Art (FIAP) Excellence FIAP/diamond 3 (EFIAP/d3). In 2016, at the "Summit of Photographers of Ex Yugoslavia" in Leskovac, he was awarded the "Tomin Šesir" award for outstanding merits for the development of photographic art in the former Yugoslavia, in the same year FIAP awarded him the honorary title for Services Rendered (ESFIAP) and in year 2022 the highest title Honorary Excellence FIAP (Hon EFIAP). Between 2013 and 2018, he was the president of the Photographic Association of Slovenia (FZS). Since 2014, he has been a director of the photographic center "Fotograd Negova", an exhibition centre that was awarded the status of "FIAP Exhibition Centre" by FIAP in 2015.

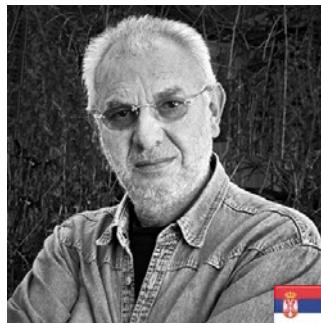

### GABOR Ovidiu, EFIAP, PPSA, Romania

Ovidiu Bogdan George GABOR, born on June 30, 1963 - I am an engineer by profession. Currently I work in the insurance field. I had a passion for photography since childhood. In 2014, I became member of the Nufărul Photographic Club in Oradea, and a year later, I was accepted as a member of the Association of Photographic Artists from Romania. Starting with 2016, I intensify my participation in the International Exhibitions of artistic photography, and starting with 2017, the first prizes also appear. He also participates in photography workshops, along with creative trips in the country and abroad.

As a result of the results obtained by participating in photography salons, I obtained the following distinctions:

1. - Excellency E.AAFR (Association of Photographic Artists from Romania);
2. - the AFIAP (Artist of the FIAP - Federation Internationale de l'Art Photographique) awards in 2018 and the EFIAP (FIAP Excellence); in the year 2019;
3. - in 2022 I subscribed and obtained the PSA (Photo Society of America) distinctions: QPSA and PPSA.

I am interested in all fields of artistic photography (landscapes, studio photography, macro photography, astrophotography, etc.) but in recent years I have obtained the most outstanding results with portrait photography and travel photography. Another field that I have approached in the last 5 years and that has brought me both satisfaction and exhibitions is that of documentary photography. I would mention here the two photographic monographs "Istro-Romanians" and "Wallachians from Moravia" - monographs made together with colleagues from the "Ethno Photo Art" Photographic Association.
