Born in Rijeka (Croatia) in 1967. In 1991 receives a diploma from the University of Technology in Rijeka where he lives and works. Seriously involved with photography since 2004 although he was interested in taking pictures from childhood. In year 2010 became Artist FIAP (AFIAP) and Excellence FIAP (EFIAP) in 2012. He is an active member of Fotoklub Color Rijeka and Fotoklub Pag. He had 15 one-man shows, participated in over 540 group shows and received over 400 awards out of which his 59 gold medals at FIAP and PSA salons in India, Netherlands, Portugal, Uganda, Guatemala, Bulgaria, Montenegro, Serbia and Croatia should be especially emphasized. He was a selector or a jury member at around 15 FIAP and PSA photo salons or other photo contests and was included by the Croatian Photo Association ten times in the national selection for FIAP Biennale. He has had photographs published in books, on book covers and catalogues as well as in photo magazines and calendars. FIAP BLUE BADGE

Lam Jill
Canada

I started to be interested in photography from my painting. Whenever I saw some beautiful flowers in park I will take the pictures with my camera for my drawing ideas., I then gradually fell in love with photography. As my kids grew up, I began to have lot of time to develop my photography. I started going to different events, festivals or different sports activities to take pictures. I even started going to different photo salon and competitions within the Covid period. After I tried to leave my comfort zone. I go to travel to different countries for photos. I never thought that I will travel to so many different countries just for pictures. I hope I will continued to pursue my dreams in photography field.
