## FIAP BLUE BADGE

**Yury Pustovoy**

Russia

My name is Yury Pustovoy and I'm professional cinematographer, graduated from cameramen faculty of Russian State Institute of Cinematographer. I've traveled a lot – in my childhood with my family, and later – as professional cameramen with my team. Over those many years I've been working on my movies, I've visited almost all former USSR republics from Baltic Sea to Pamir.

Even not being practicing cameramen, I still hold natural affinity to photography wherever I go, or business trip or on tourist tours; I always take photo camera and hunt for my main trophy – photographs. At the present time, I organize and carry out photo-tours around the world - <http://artphoto-tour.com>. Have a good time and enjoy my pictures!
