Borko Ivo, HonEFIAP, EFIAP/d3, Slovenia

Ivo Borko, retired veterinarian and publisher, born in 1955 in Hercegovščak in Slovenia, enrolled in photography as a student at gymnasium in Murska Sobota. During his studies in Ljubljana, he deepened his photographic knowledge in the famous ŠOLT Photo Group. After a later and multi-year photographic "rest", in 1995, on his first trip to Africa, he returned to creative photography. The real turning point in his photographic work was the year 2008, when he and his like-minded friends founded Photo Club Propertio divina in Gornja Radgona, which he also chairs. Initially, he was mainly interested in nature and travel photography, but now he focuses on human photography, especially as an unposed or, more recently, portrait, nude or even object of staged photography. So far, he has had 41 solo exhibitions in Slovenia, Austria, Bulgaria, Serbia, Romania and Hungary. He has participated in more than 600 group exhibitions in 65 countries around the world and has received more than 350 awards. In 2012, he was proclaimed as the most successful exhibitor of the FZS. Since 2013 he has been the holder of the exhibition title Master of Photography of the Photographic Association of Slovenia (MF FZS), and since 2019 the highest exhibition title of the International Association of Photographic Art (FIAP) Excellence FIAP/diamond 3 (EFIAP/d3). In 2016, at the "Summit of Photographers of Ex Yugoslavia" in Leskovac, he was awarded the "Tomin Šešir" award for outstanding merits for the development of photographic art in the former Yugoslavia, in the same year FIAP awarded him the honorary title for Services Rendered (ESFIAP) and in year 2022 the highest title Honorary Excellence FIAP (Hon EFIAP). Between 2013 and 2018, he was the president of the Photographic Association of Slovenia (FZS). Since 2014, he has been a director of the photographic center "Fotograd Negova", an exhibition centre that was awarded the status of "FIAP Exhibition Centre" by FIAP in 2015.

Hassan Ahmed Mohamed, EFIAP/g, MPSA, GPU VIP3, Qatar

My name is Ahmed Mohamed Hassan - Egyptian, I was born 1983, I have dreamed of being among famous international photographers around the world who can help and provide useful knowledge to others and preserve the beauty of world culture for different photographic generations through my photography. I am very much interested in photography because I see it as a reflection of human's emotion, the greatness of cultures and to help preserve our tradition from getting wiped in the new generation's mind. I am specialized in Street, travel, and lifestyle photography. In 2016, I started my passion to travel around the world to explore different cultures, as I do believe that nothing is better than doing what you like and pursuing your dream. Each image I shoot is not considered a subject, rather a story that captures my Heart before my lens, because it touches my soul and makes me feel the story behind it. I am an International Honorable judge in international photo Salons, I judged more than 350 international salons. Work as photographic instructor with Nikon School Middle East. I worked With ministry of culture in China as A freelance Photographer and Participated with them in three published books one about the Chinese culture and two about the First four Ancient Civilizations ((Egypt - China - Greece - India)) .President and Founder of Pharaohs International Photographic Club (PIPC). Has been honored with 155 distinctions from different organizations and federations around the world.
