**Debevec Igor, EFIAP/d2, MPSA2, GPU CR5, Slovenia**

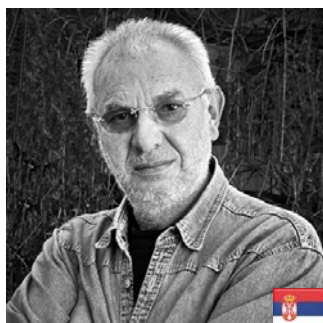

Igor Debevec comes from Slovenia. His first attempts in photography date back to 1980 and since then photography has become his way of seeing the world around us. So far, he has exhibited in FIAP/PSA exhibitions in 80 countries and received 960 awards in 50 countries. He holds various photographic titles in eleven international organizations. In 2021, the Colleague Society International USA awarded him the title of GWP.ICS - Grand World Photographer ICS as the sixth photographer in the world. His photographs have been published in various international photographic almanacs, and he has exhibited in galleries in Skopje, Sarajevo, Durban (South Africa), Dhaka (Bangladesh), Colombo (Sri Lanka) and China (Guangzhou, Beijing, Cifeng, Zhuji, Shaoxing). **Hassan Ahmed Mohamed, EFIAP/g, MPSA, GPU VIP3, Qatar**

My name is Ahmed Mohamed Hassan - Egyptian, I was born 1983, I have dreamed of being among famous international photographers around the world who can help and provide useful knowledge to others and preserve the beauty of world culture for different photographic generations through my photography. I am very much interested in photography because I see it as a reflection of human's emotion, the greatness of cultures and to help preserve our tradition from getting wiped in the new generation's mind. I am specialized in Street, travel, and lifestyle photography.

In 2016, I started my passion to travel around the world to explore different cultures, as I do believe that nothing is better than doing what you like and pursuing your dream. Each image I shoot is not considered a subject, rather a story that captures my Heart before my lens, because it touches my soul and makes me feel the story behind it. I am an International Honorable judge in international photo Salons, I judged more than 350 international salons. Work as photographic instructor with Nikon School Middle East. I worked With ministry of culture in China as A freelance Photographer and Participated with them in three published books one about the Chinese culture and two about the First four Ancient Civilizations ((Egypt - China - Greece - India)) .President and Founder of Pharaohs International Photographic Club (PIPC). Has been honored with 155 distinctions from different organizations and federations around the world.

FIAP BLUE BADGE

Wheeler David
England

David took up photography whilst at school and has become a keen amateur interested in a wide range of subject matter including Landscapes, Industry and People. He has been a member of Smethwick Photographic Society for over 40 years and has served two terms as president. He has lectured extensively at Photographic Clubs and judged Local, National and International Exhibitions both in the UK and abroad.

He gained his Fellowship of the Royal Photographic Society in 1980 at the age of 23 and was invited to become a Member of The London Salon in 2005. In 2009 he obtained a Master of the International Federation of Photographic Art (FIAP) with a panel of colour prints of Rajasthani villagers. Most recently, in 2021 he was awarded the Excellence of FIAP at the Diamond 1 level (EFIAP/d1) based on his International Exhibition acceptance record.

Juggling his career (as a hospital medical doctor) and family life has been a challenge over the past 10 years, but David has recently been able to commit more time to photography and has enjoyed learning computer-based post production skills to enhance his images.
