SPRING CLICKS 2026

"MLADOST"

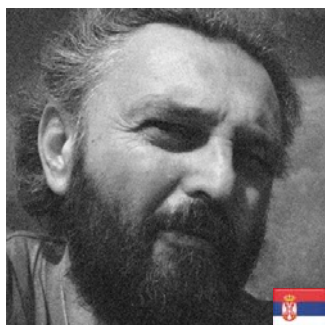

**Gorup Stojan**, Slovenia

Stojan Gorup embarked on his journey in fine art photography back in 1973, operating within the framework of the Photographic Association of Yugoslavia. By 1977, he had already risen to prominence, securing a place among the top 5 Yugoslav photographers. Later on, during the digital photography era, he recommenced his photographic pursuits within the realm of the Photographic Association of Slovenia. Over the years, he actively participated in numerous international photo salons across 78 countries, amassing more than a thousand acceptances, with ninety of his photos receiving various awards.

Stojan Gorup's achievements in the world of photography include the following distinctions: EFIAP/gold, Elite IUP, and he is currently a Master candidate of the Photographic Association of Slovenia (KMF FZS). Presently, Stojan is member of the executive committee of the Photographic Association of Slovenia.

**Jovanovski Vladimir**, EPSA, GPU CR3, North Macedonia

Vladimir Jovanovski, EPSA, GPU HERMES, RISF5, was born in 1983. He is a distinguished photographer from Macedonia and the most successful representative of Macedonian photography, having taken part in numerous international exhibitions around the world. He has exhibited his works in 35 countries and as a result, has received over 100 awards and certificates. He was proclaimed by The Photographic Society of Macao as one of the 100 most influential photographers in the world. In 2018, he has received the award for best world photographer from the Photographic Arts Federation of Turkey. His biggest successes, according to him, are the projects 'The other one hundred' and 'On Macedonian photography'. He was a member and president of the Photo cinema club 'Kozjak' from Kumanovo. Currently he is an active member of Photo club 'Kumanovo'. He is also the director of Malinski Photo Festival, an honorary member of Image Sans Frontier, Image Colleague Society and the Photo Club 'Kragujevac'. He is also a representative of PSA, GPU and ISF for the Republic of Macedonia and the current president of IAAP. When it comes to his photographs, he is not a mere recorder of things. He has a sense of the space around him, feeling the light, the ambient and life. He is constantly in search of all these things, confronting inner feelings, transferring them into his photographs. In the last couple of years, his approach has been more thematic.

**Radovanovic Radenko**, F1 FSS, Serbia

Born in Cacak in 1959, where he finished high school. In 1978. entered the world of photography, where he stayed to this day. Within FKK CACAK work on educating young members and participate in domestic and international photo contests...
