Cufar Aleksander, EFIAP/d3, MPSA, Slovenia

I was born on 3 May 1962 in Kranj. After finishing elementary school, I enrolled in the programme for laboratory technicians at the Secondary School of Nursing in Ljubljana. I then continued my education at the Higher Professional Education Study Programme, Radiologic Technology. In 1990 I began actively participating in photography exhibitions all over the world. So far I have won over 700 awards. I was awarded the Photographic Federation of Slovenia's Master of Photography title in 2009 and the Master PSA title in 2015. FIAP awarded me the Excellence FIAP Diamond 1 title in 2016.

During all these years, my love for photography has not waned. On the contrary, it is only now that I realize how many wonders I have yet to catch with my camera. Recently, my favourite themes have been the forest, swans, landscape, black-and-white photography, and experimental photography. I am searching for themes that are rich in colour, wonderfully illuminated, and represent something exceptional in nature. When I find that special theme, I isolate it and then wait for the hour of the day or the season of the year which allows me to show what I see in my own unique way. In the digital darkroom I often combine photographs or change them into something different, better. When it comes to photography, the possibilities are endless. I can keep coming back to the same theme, finding it to be different every single time. This diversity, continuous changing of the lighting, gives me immense pleasure and the opportunity to search for something yet unseen.

Jakovljevic Branko, AFIAP, MF FSS, Serbia

Was born in Čačak in 1963. He graduated at Faculty of Medicine, University of Belgrade. He has been involved in exhibition photography since 1979. He took part at over 150 collective exhibitions in the country and abroad so far and won over 40 awards.

He organized four individual exhibitions: in Belgrade, Lazaravac and twice in Čačak. He was awarded with the title "Master of Photography" by the Photo Association of Serbia in 2011.

Markovic Anton, Montenegro

Born in Tivat, Montenegro in 1951. He has been engaged in photography since 1970 and worked as a photo reporter from 1981 to 1989. He was engaged as a collaborator in the realization of tourist catalogues and various monographs. Special interests have been art photography and documentaries. He took part in sixty-three (63) joint exhibitions in ex Yugoslavia and abroad and had ten (10) one-man exhibitions.

FIAP BLUE BADGE

Wheeler David
England

David took up photography whilst at school and has become a keen amateur interested in a wide range of subject matter including Landscapes, Industry and People. He has been a member of Smethwick Photographic Society for over 40 years and has served two terms as president. He has lectured extensively at Photographic Clubs and judged Local, National and International Exhibitions both in the UK and abroad.

He gained his Fellowship of the Royal Photographic Society in 1980 at the age of 23 and was invited to become a Member of The London Salon in 2005. In 2009 he obtained a Master of the International Federation of Photographic Art (FIAP) with a panel of colour prints of Rajasthani villagers. Most recently, in 2021 he was awarded the Excellence of FIAP at the Diamond 1 level (EFIAP/d1) based on his International Exhibition acceptance record.

Juggling his career (as a hospital medical doctor) and family life has been a challenge over the past 10 years, but David has recently been able to commit more time to photography and has enjoyed learning computer-based post production skills to enhance his images.
